

Baby Brunch

The map is a detailed isometric representation of a theme park layout. A prominent yellow path winds through the center, starting from a monkey character at the bottom entrance (1) and ending at a lion character (9). The path is flanked by various buildings, trees, and icons. Numbered red circles (1-26) mark specific locations. Icons include a fork and spoon for food, a person in a uniform for staff, a person in a wheelchair for accessibility, and a person with a cane for accessibility. The map also shows a parking lot, a road with a truck, and a monkey character at the entrance.

Key locations and features include:

- Entrance:** A monkey character (1) stands at the bottom center.
- Parking Lot:** Located at the bottom left, marked with a red circle 2.
- Food Areas:** Several buildings with fork and spoon icons are scattered throughout, including a large one at the bottom center (8) and another at the top left (20).
- Staff and Accessibility:** Icons of a person in a uniform and a person in a wheelchair are placed at various points along the path.
- Landmarks:** A lion character (9) is on the path, and a monkey character (1) is at the entrance. A large green building (14) is on the right side.
- Other Features:** A road with a truck (4) is at the bottom right. A large red circle (24) is at the top right. A large red circle (25) is at the top left.
